

Learning and Development Policy

TYPE: Policy

TITLE: Learning and Development Policy

DEPARTMENT: Learning

VERSION: 1.0

TAGS: learning, training, certification, skills

STATUS: ACTIVE

EFFECTIVE_DATE: 2026-01-01

CONTENT:

1. Employees are encouraged to improve skills relevant to their current role or career development.
2. Employees may participate in approved internal learning programs.
3. Certification programs may require manager approval when they involve project time or company-funded resources.
4. Mandatory training should be completed within the communicated deadline.
5. Employees may discuss learning paths with their manager or learning coordinator.
6. Training records should be updated in the approved learning platform when required.
7. Employees are encouraged to apply relevant learning to project work.
8. Company-funded external courses are subject to approval rules.
9. Managers may recommend learning based on project requirements and skill gaps.
